This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve.

The purpose of the CIC is to create new artistic works and setup arenas where the arts/artists and audiences meet on different levels of engagement. We achieve this through meaningful interactions between the arts and communities in which we work. We use the arts and creative activities as a catalyst to positively impact on educational attainment, employment prospects, socio-economic development, community cohesion and health and wellbeing circumstances. For the period this report covers we successfully engaged 360 young people in artistic activities including bespoke delivery of drama for Home Education groups with 120 participants and an afterschool youth theatre project that engaged 240 young people. We also engaged 210 VCSE groups and organisations in an extensive creative mapping exercise to ensure the local authority's Health and Wellbeing Board can work with the sector to improve the offer of health services to the wider community.
